Subject: Extension Request Granted, Rocanville Corporation, Black Rock Mine,
M/027/088, Millard County, Utah

Dear Mr. Hamilton:

On May 9, 2005, we received your letter requesting another extension to furnish your response to the Division's initial review of your Large Mining Plan for your Black Rock mine. We will grant the extension to May 23, 2005 as your letter states.

Since this extension is the second one granted, if there is further delay you will need to request the extension from our Associate Director to authorize further delay in responding to the review.

Thank you for your continued cooperation. Please be advised that no mining may commence until the permitting is finalized and you have received final written authorization to proceed.

Sincerely,

Susan M. White
Mining Program Coordinator
